APYFC Kit Ordering Guide

Please be aware that for the upcoming football season all new uniform purchases need to be made by parents/carers via the APYFC Kitlocker site.

https://www.kitlocker.com/apyfc/

Only shirts purchased via APY's Kitlocker site will be approved for use on match days!

Many current players would have received a new APY shirt at the start of this season. Please continue to use that shirt until your child has grown out of it or it is no longer in acceptable condition. There is no obligation to purchase a new shirt each year. We have introduced this website so that parents can purchase new uniforms at their convenience when needed.

"NO KIT - NO PLAY" Policy:
Players without a full APY Kit will not be able to play in matches.

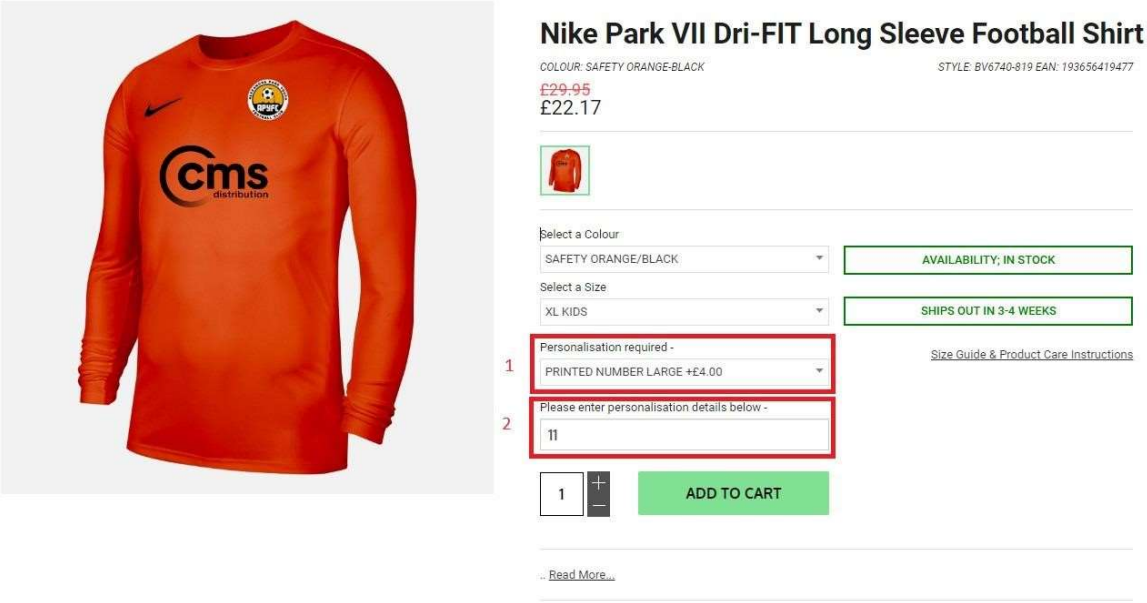

Please be aware that our supplier manages several hundred other community football clothing contracts and the July – August period is extremely busy. Please expect delays to orders and delivery lead times to run beyond the quoted 4 weeks.

IMPORTANT ORDERING INFORMATION

As part of the ordering process, you will be required to indicate your player's chosen shirt number which will be printed on the shirt by Kitlocker. Please continue to use your current shirt number unless otherwise agreed with your team's Manager. We must avoid duplicate shirt numbers within a team. Managers of new teams will assign each player a shirt number.

When ordering a shirt, the following information must be entered:

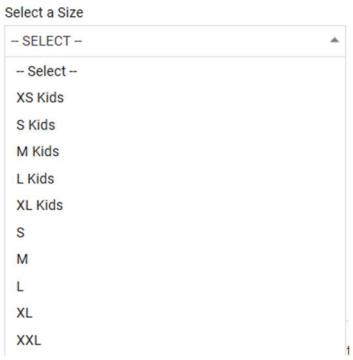

1. In the "Personalisation required -" box, select "PRINTED NUMBER LARGE +£4.00"
2. In the next box enter the assigned number (example below)

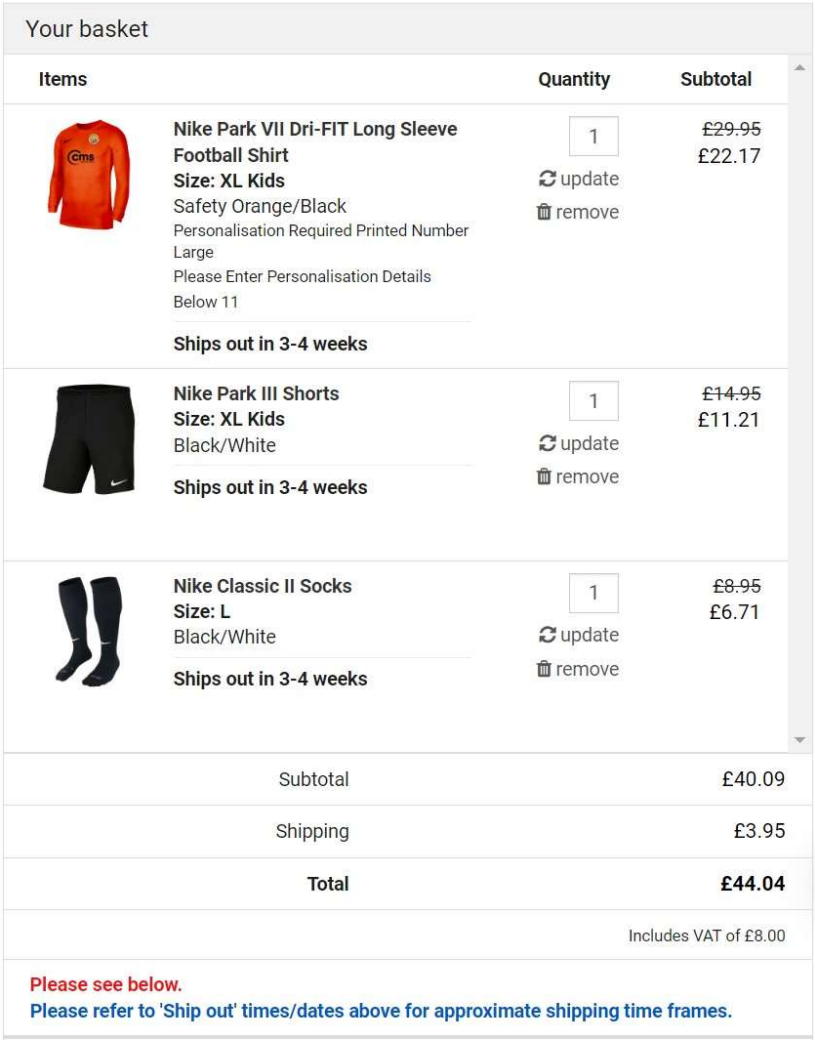

*** IMPORTANT ***

Please make sure to select the correct size option !!! Customised shirts cannot be returned!

Kids Sizes end with the word “Kids” following the size.
Adult sizes do not have any word, Adult or otherwise, following the size.
Sizes are organised smallest to largest in the dropdown menu, and there is a Size Guide link on the page below the Estimated Delivery Time.

A typical clothing purchase will range from £40 to £50 depending on sizes and items selected. The following shopping cart is an example of a Kids XL purchase. Note in the shirt details that “Personalisation” is selected and a shirt number has been entered. Shipping is £3.96 Second Class Recorded delivery or £6.95 DPD Tracked Courrier Service.
